Administration weeks can be used for classes needed by members if the interest in class is high enough. So please call with any interest.

\*Means it is a required class for the turbine classes in Vegas.

To; All members.

We have come to realize over the past few years how important it is to have a training background. Some job sites are requiring that you have certain qualifications before you are allowed on site. We are here to help. If there is a class you need and you do not see it please contact the center I am sure we can help you. And feel free to call me with any other comments or concerns. Thank You.

**Contact for classes first come first serve bases. Rob Soper (906)-225-9088**
